PRINCIPAL REPORT

Welcome back to Term 4. The Year 12 students have only a few days of school left before they have swot vac and then their final exams commence on October 30th. This is the culmination of their year’s work and we wish them all well. The rest of the school still have lots of learning time left before their exams and end of year activities. So the emphasis on these students is to continue learning.

There have been some exciting things happening at our College over the past few weeks. Year 11 students had the opportunity to nominate for School Captains and it was a privilege to interview all of the applicants. It is a rigorous process involving written applications followed by interviews and the shortlisted candidates spoke to the whole school assembly last Thursday. Years 7-11 students then voted for their preferred choice of Captain and Vice-captain. It was a tough decision for them as there were five girls and three boy candidates who all spoke very well. I am pleased to announce the following results:

School Captains: Megan Bourke and Eza Eiwaz Ali
Vice Captains: Courtney Dorbie and Sam Hudson

Congratulations to these people and I am looking forward to working closely with them in 2014.

A Model United Nations Conference was held this week. It was a simulated session of the UN General Assembly through a forum of role play and debate. Students step into the shoes of country Ambassadors and draw on negotiation and diplomacy skills to make their views heard. Throughout the day they had the opportunity to present their country’s position to the Assembly, debate and discuss with other Ambassadors, and move amendments to the Resolution and its specific recommendations. This involved students in Year 7 -10 with representatives from other secondary schools in Shepparton as well as Cobram Secondary College and Numurkah Secondary College.
