It is a very busy time of year with exams and early commencement having taken place over the last couple of weeks. The 2014 Year 7 SEAL students had a special orientation day last Friday and the feedback from these students was glowing.

**The End of Year Summer Timetable program** for Years 7-9 was handed out to students last week. There has been a huge response, with many students choosing to participate in the activities. This is a great opportunity for students to try something new and fun. The teachers who are not running the activities will be very busy planning for 2014. Please see our website [www.mcguire.co.vic.edu.au](http://www.mcguire.co.vic.edu.au) under recent news, where there is more information about our end of year program.

If you have a health care card please call into school and fill in the form for the Education Maintenance Allowance (EMA). Please see more information on page 1.
