Senior School Attendance Policy:

- For students enrolled in years 10, 11 and 12, it is vital that students miss as few classes as possible.
- Students must attend 100% of school days or have a valid reason for non-attendance, such as illness.
- Students in Years 10, 11 and 12 will be permitted a maximum of 5 days per semester of unapproved absences.
- Absences with a doctor’s certificate, part day absences approved by the Sick Bay Co-ordinator and Suspensions do not count as part of the 5 days.
- If a student in Year 10, 11 or 12 has more than 5 DAYS UNAPPROVED IN A SEMESTER, they will AUTOMATICALLY FAIL all subjects unless the Transition and Pathways Leader (Senior school) and the Head of House makes a special recommendation to the Principal.
- It is expected that any absence require a telephone call and a note in the Student Planner.
- For students living with their parents or guardians, reasons must be provided in writing with parent/guardian signature. For students living independently, notes may be provided by the student.
